Specialist Letting Agency Bournemouth are offering this 2 bedroom apartment

Full description

Specialist Letting are pleased to offer this spacious two bedroom 1st floor apartment within walking distance to Boscombe Pier and beach.

The apartment is one of four flats that form part of a tasteful turn of the century house conversion. All four flats gain access to the side via a communal door and each flat has its own front door. Entry to the communal area is via secure intercom.

Internally the flat is very spacious and is very bright and airy due to a large array of original full length sash windows and high ceilings. These period features go well with the recently whitewashed walls and ceilings and brand new grey carpets.

There are two bedrooms, one very large double to the rear and a smaller double to the front of the property. The main living area is a good sized and is easily large enough to be used as a lounge-diner.

The main bathroom is partially tiled and has a modern white suite comprising of a close coupled WC, basin and pedestal and bath with shower over.

The kitchen has modern matching maple coloured base and wall units with formica worktop and tiled splashback to finish.

There is a brand new under counter built in electric oven and brand new gas hob. The property also has a washing machine and fridge-freezer for tenants to use but the landlord will not accept responsibility for these should they break down.

The property is gas centrally heated via a combination boiler.
